

Mount Isa Athletics

PRESS RELEASE

7th September 2013

One award for true all rounders at the Mount Isa Athletics Club is the 'Total Legend' trophy. Throughout the season athletes are awarded Legend Certificates for performances of a high level, if an athlete can achieve a certificate in all events offered to them they receive the Total Legend Trophy for their efforts. The clubs final hurdle day of the season saw six year old Sienna Stehens gain her final certificate needed to secure her the highly coveted and rarely awarded trophy making her only the second athlete to receive the award this season.

Other athletes that will be receiving Legend Certificates will be Ryan Hujanen, Kadea O'Donnell, Denzil Perkins, Layla Verhoeven, Ashlee Spencer, Julian Grimaldi, Jaxon Constantinou, Rhylee Douglas and Jace Fraser. The Club as a whole now needs only six more legend certificates to be awarded to claim yet another milestone of the total amount of Legend Certificates issued in a single year.

The lull in presentations of the Perfect 5 from 5 PB Medallions lasted just a single week after 12yr old Maya Piggott posted her first perfect score for the season. 7yr old Rhylee Douglas joined the ever growing list of athletes that have finished the day with four and an equal from five after matching his old PB in the 100m. Josie Hopkins, Tyler TeWani and Craig Williams were all impressive but finished one PB short with 4 from 5.

Three athletes whose names are well known in the club record books have claimed more spots with Hammer thrower Brianna Smith showing her diversity pushing the U/18 womens Shot Put out to 9.91m. Heptathlete Erin 'Beast' Faithful lowered her own 14 yrs 90m Hurdle time to 17.0s and Speedster Denzil Perkins took more than half a second off the 9yr boys 60m Hurdles record with a time of 11.4s.

The clubs solo AWD Athlete (Athlete With Disability) Daniel Wing continues to improve weekly posting a Discus PB of 13.29m. Daniel and 'The Legend that is' Miss Nancy (Daniel mum) are both primed and ready for the upcoming ANQ Championships at the end of the month where they will both be competing in the throwing events.
