

# Mount Isa Athletics

## PRESS RELEASE

18 July 2015

The Mount Isa Athletics club officials were looking for scorch marks on the track after the 13 year age group finished the 100m races. The winners of both races broke the club records for the age group. Blasting home in the girl's race was Tarell Rea in a time of 13.2s taking two hundredths of a second off the previous record she shared with Holly Johnstone. The boy's race saw Conor Bowden step it up a gear to come home in 12.7s dropping another one hundredth of a second of his time from earlier in the year. Both athletes look perfectly poised for the Secondary schools district championships this Friday. One other record was claimed on the week end by Kym Stehbens in the 45-49yr women's Discus. Her throw of 20.82m added a metre and a half to the record that she was currently sharing with Sharon Dickson.

The perfect 5 from 5 Personal Best's medallion is proving more difficult as the season wears on with Rehan Bell being the only one to secure all five this week. It could well have been a very different story though as another eight athletes Michaela Bracs, Kisha Simpson, Jade Scott, Peyton Burden, Harry Morris, Dan Butler, Cooper Douglas and Taku Mandizvidza all falling only one PB short with 4 from 5. Craig Williams also gave it a fair crack finishing with 3 PB's and an equal time in his 100m from the 5 events.

Four year old Indy Gell's 'Big Long Jump' will see her take out this week's 'Top Tot' award.

Continued excellent performances continue to see Legend Certificates presented each week with another nine to be awarded to Kisha Simpson, Jaidyn Ferris, Luke Hales, Ally Haddon and the Bracs sisters Michelle, Renee and Michaela.

Athletics is now coming into championship season with the schools district championships on the last two Fridays of this month. The Barrier Reef Masters Games in Cairns mid August is followed a week later by the Schools Regional Championships and Outback Sunset Carnival in Longreach and all culminating at the ANQ Championships in Townsville on the 25/26/27<sup>th</sup> of September. The Mount Isa Athletics Club will have representatives at all of these championships and are expecting good medal hauls at each.

Athletics continues this Saturday at Sunset Oval commencing at 2.00pm
