

Mount Isa Athletics

PRESS RELEASE

Club Day – 16 July 2016

The holiday break has proved beneficial for the Mount Isa Athletics Club athletes with two accomplishing the coveted perfect 5 from 5 personal bests. Lulu Morley and Mason Turner were both at the top of their game having achieved their 5 from 5 in the latter half of the season. As the season wears on it becomes increasingly difficult as athletes are continually improving week after week their PB's in turn get more difficult to beat.

Indi Clewett, Abby Benson, Bella Morely, Zoe Ivanov, Rehan Bell and Connor Baker all came up just one PB short finishing with 4 each. Indi Clewett came the closest missing her 5th by a mere 1 cm in High Jump. Illy Chapman and Emily Beaton are both worth an honourable mention with each gaining 3 PB's and an equal time or distance in the 4th.

The top two performing age groups were the 9 and 11 year olds both averaging just under 3 PB's from every 5 events they contested.

Four year old Eliza Leon will receive this week's Mighty Minion Award for her Excellent Turbo Javelin Throwing

Connor Baker has shown great improvement with the Javelin over recent weeks having landed an ANQ Development Squad qualifying throw of 24.32m.

Eight more athletes have surpassed the Legend Certificate levels. Those athletes being Illy Chapman, Lulu Morely, Aleigha Ferris, Mason Turner, Tyler TeWani, Bryleah Cullen, Abbigail Green and Connor Baker.

Club records were scarce this week with 17 year old Erin Faithful being the only one to cause an update in the Club Record books. Erins' 1.30m High Jump equalled Shannon Sweeneys' effort from 2009 in the Under 18 years.

Mount Isa Club athletes are now in preparation for the Sunset Outback Track & Field Carnival in Longreach on August 13th & 14th. The carnival also incorporates the Primary and Secondary Schools Regional trials which many of the school aged athletes have qualified for at the recent Schools Districts championships.
